ACKNOWLEDGEMENT

I would like to express my sincere gratitude to Dr. Suresh S., Faculty, Sri Sankaracharya University of Sanskrit, for his valuable academic guidance and support throughout the course of this Panchayat Resource Mapping study. His guidance has contributed to my understanding of the practical application of Geographical Information System (GIS) techniques in geographical analysis and local-level resource assessment.

I extend my sincere appreciation to the Secretary, Melila Grama Panchayat, and the clerical staff and other officials of the Panchayat office for granting permission to undertake this study and for their cooperation and assistance. Their support facilitated the conduct of the resource mapping exercise and contributed to the completion of this study.

I also acknowledge the cooperation of all those who provided relevant information and assistance during the course of this work. This study has offered me an opportunity to apply the concepts and techniques of Geographic Information Systems to the identification, spatial analysis, and mapping of local resources, thereby strengthening my practical understanding of GIS applications in geographical research and planning.

Finally, I express my sincere thanks to everyone who directly or indirectly contributed to the successful completion of this study.
